

# Fayston Local Hazard Mitigation Plan

## Community Feedback & Mitigation Idea Development Meeting

August 10th, 2016

9:30 am – 11:00 am

Robert Vasseur Town Hall

### AGENDA

**Purpose:** Incorporate community feedback into the planning process and continue to develop mitigation strategies, with a focus on Severe Winter Weather

9:30 am – Recap

*Recap what team has accomplished so far and where we are at in the planning process.*

9:35 am – Survey & Outreach

*Review the results to date of the Survey Monkey online survey and discuss further outreach for the planning process.*

9:55 am – Severe Winter Weather

*Revisit this hazard for more detail on how it affects Fayston, existing mitigation strategies in place, and possibilities for expanding mitigation.*

10:30 am – Potential Mitigation Projects

*Review the developing list of potential mitigation projects to identify key stakeholders and information necessary to inform the team's selection of final mitigation projects.*

10:50 am – Next Steps & September Meeting
