

Fayston Local Hazard Mitigation Plan

Mitigation Project Finalization Meeting

September 21st, 2016

9:30 am – 11:30 am

Robert Vasseur Town Hall

AGENDA

Purpose: Select the Mitigation Projects the Town will pursue in the next 5 years, and ensure the narrative Draft Plan documents the support for these selections and will respond to team comments.

9:30 am – Schedule for Completion

Review the schedule for completion of the LHMP.

9:35 am – Survey Responses

9:40 am – Mitigation Project Selection & Prioritization

Determine which projects presented in the Potential Mitigation Projects spreadsheet will be selected and why, and prioritize them for implementation.

10:40 am – Review Draft Plan Narrative

Ensure the narrative has the information to explain Fayston's mitigation program and priorities, and support the conclusions of the mitigation projects selected. Take team comments for incorporation into the final draft.

11:20 am – Next Steps & November 9th Meeting
