

MINUTES  
FAYSTON PLANNING COMMISSION

March 5, 2018 Unapproved

Members Present: Polly McMurtry, Carol Chamberlin, Shane Mullen, Doug Day;

Others Present: Jared Alvord, Pete Ludlow

The meeting was called to order at 5:00 pm

Members reviewed the minutes of February 5, 2018. Some proposed changes were suggested to make them more accurate. Shane moved to accept and Doug seconded. All were in favor and the motion passed.

Members then reviewed the questions and comments that the Selectboard had sent to the Planning Commission the previous week. These questions came up from the Hearing that the Selectboard held on February 19th. Members reviewed each point one by one, discussing each and deciding what follow-up needs to be done. Polly will start writing up a response document, and will have others fill in where they need to. The Commission will review this document at the next meeting on March 19th and decide on next steps. The goal is to complete it and get it back to the Selectboard by early April.
