

Attendees - Carol, Gene, Geri (no WIFI access)

Carol: Four Winds is set to rent the barn from 8/10/17 - 8/24/17. There will be a port-o-pot in place for that time period.

Geri: the parking lot at Hiddenwood is owned privately and the Hiddenwood development has an easement from the owner to use it for parking.

The new community/barn celebration party is set tentatively for October 1, 2017, pending the committee's availability for that date. Gene will check with Hadley Gaylord for a price on having a pig roast. Gene will also check with "They might be Gypsies" for music.

The group concurred that at this point, keeping the lower bridge makes more sense than trying to build a new one and cutting new trails.

We all agreed that if there is a knotweed-pulling event or series of events, the FNRC as a group should participate.

Carol will talk to Ky about what he found out regarding an easement for the lower bridge from the property owners.

Next meeting: Tuesday, September 5, at the town office.
