

Fayston Emergency Management Protocol

- The Town Clerk's office, Lister's office and Zoning office are closed, effective immediately, to the public until March 31st. We will re-assess the date to re-open to the public as warranted.
- All employees will be in the office during their scheduled hours and available by phone or email.
- All documents received (checks, recording documents etc) will be put aside and not handled for 3 days, after that period they will be processed as usual.
- For attorneys and title searchers who needs to search our public documents:
 - We will assist with any possible remote researching and send any documents needed via email or mail.
 - If remote research is not reasonable, appointments will be scheduled for attorneys and title searchers.
- The Road Department will continue to operate. They kindly ask the public to avoid visits to the Town Garage, and to please call if needed.
- Selectboard meeting scheduled for Tues Mar 24, 2020 will move forward as planned but will give those scheduled to attend the meeting the choice to attend remotely (via teleconference). For members of the public who wish to attend, it is kindly asked that they follow Vermont Health Department and CDC guidelines for protecting the health of those in our community. Further meetings will be re-assessed as needed.
- All protocols may be changed as the situation evolves.
