State and federal permits may also be required for your land development. It is your responsibility to contact state agencies to determine the required permit(s), and apply for them prior to construction. Contact the State Permitting Specialist for the Fayston area at 802-476-0195

Town of Fayston, Vermont ♦ Zoning Permit Permit Form Instructions

Fayston Town Office ♦ 866 North Fayston Road ♦ North Fayston, VT 05660
Zoning and Planning Administrator: 802-496-2454 ext. 25 ♦ Town Clerk: 802-496-2454

A Zoning Permit is required for all land development, which is defined as the division of a parcel of land into two or more parcels; the construction, reconstruction, or enlargement of any building or any other structure; any mining, excavation, or landfill; and any change in the use of any building or other structure, or land, or extension of use of land. This includes all buildings, additions, exterior alterations, home occupations, accessory apartments, ponds, swimming pools, tennis courts, trails, commercial wood processing and storage, and other types of land development. Also, conditional use is required for permission to build within a wetland setback, stream setback, setbacks from property lines, business or home occupations, and many other specific uses regulated by the Town of Fayston.

For more information, contact John Weir, Zoning & Planning Administrator, at 496-2454 ext. 25.

Any new home or other building that will use a wastewater system or alternative toilet or system also requires a Wastewater System Construction Permit from the State of Vermont Wastewater Division prior to construction. Any new or altered driveway or other access to town roads requires an Access Permit, issued by the Fayston Select Board. For more information contact the Select Board Assistant, Patti Lewis, at 496-2454 x23. If you are building a new home, the town will assign your property a 911 locatable address. When you know your driveway location contact Gussie Graves, 911 Coordinator, to assign your address at 496-2454 x 24.

Copies of all Fayston permit application forms, and the *Fayston Zoning Ordinance*, *Fayston Wastewater Ordinance*, *Fayston Subdivision Regulations*, and *Fayston Town Plan*, are available by mail or at the Town Office during regular business hours from 9:00 to 3:30, Monday through Friday.

To fill out this form, please answer all of the questions on the reverse side of this form and prepare a map showing the following information:

- 1) All property lines.
- 2) All existing structures on the property.
- 3) The proposed structure, with dimensions.
- 4) The distances from the proposed structure to the center line of the traveled way and to all property lines.
- 5) All easements and rights-of-way.
- 6) All traveled ways and roads adjacent to the property, with road names.
- 7) All existing and proposed driveways.
- 8) All streams, ponds, and wetlands, with the distance from the proposed structure to the water bodies.
- 9) The septic system and well.
- 10) An arrow indicating north.
- 11) The property owner's name and the address of property.
- 12) For sign applications, please include a sketch showing the exterior dimensions, height, support structures and proposed location on the lot and building.

Return the application, map, and permit fee to the Town Office at the address listed above. If the Zoning and Planning Administrator finds that your application is complete and that it conforms to the *Fayston Zoning Ordinance*, you will be issued your permit by mail.

If the Zoning Permit is approved, interested parties may appeal the permit approval to The Development Review Board within 15 days. If the Zoning Permit is denied, the applicant may appeal the denial to the Development Review Board within 15 days of the date of denial. Zoning Permits are void if the project is not completed within two years of the date of issue. Prior to the expiration date of the permit, an applicant may submit an application to renew of a permit for one additional year.
